

A NEW NORMAL: DATA GOVERNANCE AND INTERNAL STAKEHOLDER ALIGNMENT

25 November 2022 | Insight

Legal Briefings - By **Nikita Sivakumaran** and **Rachel Holland**

Building a robust data governance and privacy compliance regime requires strategic planning and meaningful business buy-in. As the spotlight on data governance intensifies, legal leaders across all industries are evaluating best practices.

Last month, General Counsel from across the Australian tech sector came together via our Tech Collective network for a candid conversation on all things data — from privacy issues to cyber risks and other regulatory matters, but also the upside opportunities in adeptly using data assets.
