

# 2019 GLOBAL BANK REVIEW

22 October 2019 | Global  
Guides

---

The 2019 edition of our Global Bank Review: *The Data Game*, explores the rapid growth of data as one of the most significant developments in the banking sector. That being the case, we are still only at the beginning of the data journey and its impact in the next decade or two will be even more profound.

This edition includes:
