Guides

Herbert Smith Freehills' global Employment Pensions and Incentives (EPI) practice is pleased to launch the 2019 edition of our Asia Pacific Employment Law Guide.

Compiled by our network of Herbert Smith Freehills employment lawyers and trusted local counsel, the Guide covers 21 jurisdictions and has become the go-to publication for in-house counsel and HR leaders as they navigate the often complicated, constantly changing employment laws across the region.

Herbert Smith Freehills' on-the-ground Employment, Pensions and Incentives team is ideally placed to assist you to navigate this complex and constantly evolving regional employment law landscape. We have employment law specialists in each of our offices in Hong Kong, Singapore, Japan, the Peoples' Republic of China, South Korea, Thailand, Indonesia and Australia. We believe the geographical location, size, experience and expertise of our employment law team makes our firm unique in the Asia Pacific region. Our team members also have excellent relationships with local employment law firms in jurisdictions where we do not have a physical presence.
