21 September 2016 | London
Legal Briefings

Following the UK referendum on EU membership, businesses have no alternative but to prepare for the UK's exit from the EU.

Our "[at a glance](#)" guide, the third in our series, highlights over two pages some key issues raised by the UK's withdrawal from the EU for insurance intermediaries.

Our earlier "at a glance" briefings, which focus on insurance and reinsurance companies, are:

- [Brexit "at a glance": implications for insurers](#); and
- [Brexit "at a glance": key issues for lobbying by insurers](#).

The Herbert Smith Freehills [Brexit hub](#) contains a range of material on the implications of Brexit for businesses.

If you would like to speak to us about any of the legal and regulatory issues raised by Brexit, please contact a member of our team.
