

# CROSS BORDER LITIGATION UPDATE

27 February 2019 | London  
Webinars

---

Recording - Originally broadcast 27 February 2019

This is the latest in our series of webinars spotlighting legal and practical issues relevant to litigating cross-border disputes.

In this webinar, we examined a range of recent developments affecting cross-border litigation, including:

- The latest on Brexit's likely impact on jurisdiction, choice of law and enforcement of judgments, viewed from both a deal and no-deal perspective
- A selection of recent judgments including on jurisdiction clauses; enforcing orders out of the jurisdiction; challenging jurisdiction and extraterritorial application of regulators' powers

If you would like to access the recording please [contact us](#).
