Guides

Welcome to the first edition of our essential guide to "Dispute Resolution and Governing Law Clauses in Indonesia-Related Contracts."

Known as the 'Keris book,' this guide is aimed primarily at multinational companies who handle contracts with a nexus to Indonesia (e.g. where one of the contracting parties is Indonesian, where the subject matter or performance under the contract is in Indonesia, or where Indonesian law is the governing law). It is intended to help readers understand:

- whether there are applicable legal or other restrictions on a party's ability to select a governing law and/or dispute resolution clause and when these restrictions apply
- what issues should be considered when selecting a governing law and dispute resolution mechanism for your Indonesia-related contracts
- drafting tips.
