

ESG: RESPONSIBLE INVESTMENT BROCHURE

03 September 2020 | Global

Guides – By **Nila Wilde, Martin Kavanagh, Rebecca Major and Joanne Elson**

For Africa-focused developers and sponsors in the renewable energy market, ESG is likely in the forefront of your minds and it is important to show knowledge of what is expected in the responsible investing market in order to ensure swift project development and to enhance bankability. This handy guide profiles the key factors relating to ESG which may impact your business. We hope that this guide provides you with a better understanding of the ESG expectations in the responsible investment market. We are keen to speak with you about your approach to ESG and how we can help you achieve your strategic goals in the Africa renewable energy space.

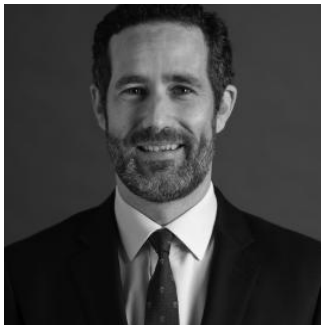

You can download the English/French version of the brochure below.
