

EUROPEAN PRIVATE EQUITY REVIEW, AUTUMN 2018 EDITION

21 September 2018 | Europe
Guides

The Herbert Smith Freehills European Private Equity Review highlights legal developments of particular significance for European financial sponsors and shares our experience of trends across the European private equity landscape and opportunities for growth.

In the Autumn 2018 edition we highlight the latest market trends, with a particular focus on the pitfalls that might confront private equity sponsors, including:

PREVIOUS EDITIONS

- the key trends in government intervention in Europe and the USA and the impact this is likely to have on private equity deals.
- the opportunities currently offered by the German insurance run-off market and the key structures and issues which require consideration on a typical German insurance M&A transaction.
- an overview of the private equity market in India and recent developments.
- how the private equity real estate market has developed in France in recent years as well as common structures used in such deals.
