

FUTURE CITIES - THE PODCAST SERIES

Global
Podcasts

Building on our series exploring the prospects of the modern city, our new podcast brings you interviews, commentary and fresh perspectives on one of the defining social and economic forces of modern life. Tune in and hear from our leading figures across a range of disciplines as they join industry experts to share insights and bring you real-life perspectives on how cities are evolving before our eyes.

EPISODE 1: SHAPING OUR POST-COVID GLOBAL CITIES

In episode one, partners [Matthew White](#) and [Nicholas Carney](#), are joined by special guests Amy Brown from the New South Wales Department of Premier and Cabinet and Alex Williams from Transport for London to bring you real life perspectives on how two of our global cities, London and Sydney, are responding to the Covid-19 pandemic.
