

IMPACT INVESTMENT: GENERATING POSITIVE RETURNS

20 September 2018 | Global
Legal Briefings

All over the globe, entrepreneurs are devising innovative commercial solutions to social and environmental challenges. The growth of the sustainable investment market has been buoyed by a revolution in the use of technology to tackle the world's greatest problems. At Herbert Smith Freehills, we are passionate about supporting innovation to generate long-lasting positive returns.

Through our market-leading social finance and sustainable investment practice - **HSF Impact** - we support founders, investors, asset managers and social finance intermediaries to build global connections, maximise positive social and environmental impact and realise growth potential.

In this fast-growing diverse market, we are committed to using our knowledge, skills and connections to help clients navigate the legal and commercial issues that flow from their financial and impact objectives.

Supporting entrepreneurs and those investing in their businesses to do well by doing good is something we get excited about.
