

INFRASTRUCTURE TRENDS AND OPPORTUNITIES IN LATIN AMERICA

25 January 2018 | Global Guides

Getting the show on the road

According to a recent report by the G20's Global Infrastructure Hub, the Americas ranks second to Asia as the region with the highest gap in infrastructure spending, being the difference between the current investment trends and actual needs - with much of that gap arising in Latin America.

For more information on Belt and Road visit our [hub](#).
