

# INNOVATION, DISRUPTION AND TECHNOLOGY

06 March 2018 | London  
Legal Briefings

---

Drawing on our practitioners' experience and understanding of the intellectual property and technology issues facing our clients in the fast changing world in which we all now do business, we made innovation and disruptive technology the key themes at our 2018 IP Update Conference. Here we discuss the particular issues raised by the Herbert Smith Freehills presenters and our keynote speaker, and summarise the talks which we would be delighted to offer to clients on an individual basis, tailored to your needs.

Held in our London offices in February 2018, we were joined by over 140 clients from the Technology, Banking, Consumer, Energy, Manufacturing, Media, Pharmaceutical & Healthcare, and Telecommunications sectors.
