

# LITIGATION UPDATE

30 October 2018 | London  
Webinars

---

Recording: Originally broadcast 30 October 2018

In this session we lookd at developments in commercial litigation since our last update webinar, in April this year. We considered the implications of the Court of Appeal's decision in the high profile *ENRC* case on legal professional privilege, and looked at important developments in other areas such as disclosure, public access to court documents, and costs and funding.
