**EL DERECHO DEPORTIVO, UNA DISCIPLINA CADA VEZ MÁS INSOSLAYABLE EN LOS
DESPACHOS**

Manuel Rivero, Of Counsel del Departamento de Litigios y Arbitraje, y Juez de Disciplina Social de la Liga Nacional de Fútbol Profesional, expone las particularidades de una rama del Derecho que ha adquirido una enorme presencia en el mundo jurídico en los últimos años: el Derecho deportivo. El enorme peso económico del deporte y las múltiples regulaciones, nacionales e internacionales, y conflictos a que da lugar, hacen que el Derecho deportivo sea una práctica inexcusable en todos los despachos.

SPORTS LAW, AN INCREASINGLY ESSENTIAL DISCIPLINE FOR LAW FIRMS

Manuel Rivero, Of Counsel from the Disputes and Arbitration practice, and Disciplinary Judge for the Spanish Professional Football League, explains the basic elements of a branch of law that has had an increasing presence in recent years: sports law. The enormous financial weight of sport and the vast number of international and domestic regulations - and the conflicts that they trigger - make sports law a must for all law firms.
