## **LOGRAR LA EFICACIA EXTRATERRITORIAL DE RESOLUCIONES JUDICIALES**

En esta segunda entrega de la serie sobre litigación transfronteriza, Fernando Gascón, Consultant de la práctica de Litigación y Arbitraje, analiza las principales reglas y, sobre todo, los principales desafíos que se plantean a la hora de lograr la eficacia en un Estado de resoluciones judiciales obtenidas en otro. En este ámbito conviven textos normativos diferentes y, sobre todo, sistemas distintos -con o sin exequátur, en función de la materia y del Estado de origen- cuyo manejo adecuado tiene un valor estratégico clave y que, de hecho, debe tenerse en cuenta también a la hora de celebrar pactos de sumisión expresa.

---

## **ACHIEVING CROSS-BORDER EFFECTIVENESS OF JUDICIAL DECISIONS**

In this second installment of the series on cross-border litigation, Fernando Gascón, Consultant of the Dispute Resolution practice, analyses the main rules and, above all, challenges when it comes to promoting recognition and/or enforcement in one State of judicial decisions obtained in another. Different legal provisions coexist on the subject, mirroring different systems and approaches – with or without exequatur, depending on the subject-matter and/or on the State of origin – the proper management of which is of vital strategic value and which, indeed, must also be taken into account when concluding choice of court agreements.
