

NEW GLOBAL ALUMNI WEBSITE LIVE

25 February 2019 | Global
Firm news

Our global alumni network celebrates the determination and success of our diverse and inspirational alumni and provides a connection back to the firm for those who are bound by a common thread of experience.

To further promote this connection we are excited to announce that we have launched a brand new alumni website - www.hsf.com/alumni

Our website embraces the new world of accessible content and requires no log in or password, all are welcome to browse through the inspiring content, including mini-doc videos of our talented alumni, global insights and professional development advice and trending thought leadership from our firm. Access to our upcoming global alumni events will still require alumni to register with the network.

Please have a look around and make sure to check back for regularly updated content. Also, if you have any suggestions for future stories or topics you would like to see covered please get in touch - alumni@hsf.com.
