

PANEL DISCUSSION: DRIVING EFFICIENCIES IN ARBITRAL PRACTICE

16 March 2020 | Johannesburg
Events

The International Arbitration Act 15 of 2017 has delivered the required framework for South Africa to become a truly international arbitration hub. The inaugural Johannesburg Arbitration Week, which takes place on 17-19 March 2020, will take a step towards this goal, exploring recent developments in international arbitration with a particular focus on the African continent.

Herbert Smith Freehills is proud to be the Platinum sponsor of the Johannesburg Arbitration Week.

As a precursor to the event we will be hosting a special event on Monday, 16 March 2020. We are honoured to welcome Professor David Butler, who has been driving arbitral reform in South Africa for 25 years, to highlight some of the fundamental changes introduced by the new act.

[Paula Hodges QC](#) (Head of Global Arbitration, London) will chair a practical discussion exploring tools, techniques and technology aimed at driving efficiency in arbitration. Further details of panel speakers are listed below.

We would be delighted if you could join us.
