

# PENSIONS AND ESG SOUNDBITE SERIES

19 April 2022 | Uk  
Podcasts

---

There is an increasing focus on the management of environment, social and governance (ESG) risks, including climate-related risks, by UK pension schemes, providers and assets managers. New and increasing disclosure requirements mean that trustees, providers and asset managers will be exposed to even greater scrutiny from policymakers, regulators, members and civil society groups. Corporate sponsors also need to be alive to the reputational risks that can arise if their pension scheme is out of step with their own corporate values on these issues.
