2016 will herald major changes in the UK legal arena, with a referendum on the UK's membership of the EU potentially taking place as early as the summer. The legal implications will be hugely significant if the UK ultimately leaves the EU. Staying on top of the broad sweep of developments is a substantial challenge, as is the importance of preparing for their impact. Our Preview of 2016 identifies the trends and issues we expect to be on the legal agenda this year.
