

# TARGETING ONLINE RISK

28 March 2018 | London  
Legal Briefings

---

In our latest publication in our [Future of Consumer series](#) on issues facing the Consumer sector, we look at some of the online risks threatening businesses today.

We examine the options available to tackle IP infringements online, such as the sale of counterfeit goods, with a focus on the most powerful weapon for rights holders – blocking injunctions from the courts. We also provide some practical tips to help tackle and combat online infringements.

Please click [here](#) to read the full article or click download above.
