

THE VIEW FROM BRUSSELS - DEVELOPMENTS IN NOVEMBER AND DECEMBER

19 December 2017 | Europe
Legal Briefings

The Brexit debate often looks different viewed from Brussels rather than from London. It is however important for businesses to also keep in mind the Brussels perspective and therefore we publish a regular view from our Brussels office on recent developments and the state of the negotiations.

In this third issue, we focus on the move from phase 1 discussions to the second phase involving discussion of the future relationship and transition. We also look at developments in other areas of preparation for Brexit including in relation to the EU Emission Trading Scheme, Justice and Home Affairs, the WTO, relocation of Agencies and the approach to Financial Services and Aviation.
