The ALRC's final report setting out its recommendations on *'Integrity, Fairness and Efficiency—An Inquiry into Class Action Proceedings and Third-Party Litigation Funders'* was released on 24 January 2019.

It is one of the most important developments in Australian class action law over the last 25 years. A copy of the report can be accessed from the [ALRC's website](#).

Below are videos of some of the main themes from the newly released ALRC Report on class action proceedings and third-party litigation funders. These are being explored by senior members of our class action team.
