

# WOMEN IN TECH

Global  
Video

---

Watch the inaugural video launching our *Women in Tech* video series !

In this monthly interview series we host a virtual fireside chat with a leading female figure in the technology sector to discuss their personal experience of working in the industry and their take on current opportunities and potential challenges. This month [Alexandra Neri](#) has had the pleasure of speaking with **Maria Gomri** who shares her views on steps taken to support the growth of women within the industry and how one can flourish in today's environment.
