

NEC4 - STILL AT THE EDGE OF COLLABORATIVE CONTRACTING

25 January 2018 | Global Guides

The launch of the new (fourth) edition of the New Engineering Contract (NEC) in June 2017, has been one of the most eagerly anticipated events of 2017 in the construction and engineering sector.

The previous edition, NEC3, has been the contract of choice for public sector projects in the UK for many years, and has been used on many of the biggest projects in recent years, including the 2012 Olympics, Crossrail and High Speed 2.
