## EXPERIENCE

Aggie has 20 years of experience in major projects and infrastructure, both in private practice and in-house for top tier construction contractors. Her commercial approach assists clients, including project sponsors, contractors and government in the road, rail, healthcare, education, transport, power and property development sectors, to achieve a value for money risk allocation and a smooth procurement process.

Aggie's recent experience includes:

- Melbourne Metro PPP
- Grafton Correctional Centre PPP
- Canberra Metro PPP
- Toowoomba Second Range Crossing PPP
- East West Link PPP
- Transmission Gully PPP (NZ)
- Gorgon and Ichthys LNG plants
