 angela.morris@hsf.com

BACKGROUND

She has had considerable involvement with many types of transactions in projects in these industries at various stages of development, including acquisitions and joint ventures. She also has particular knowledge of electricity reforms and regulatory arrangements.

Angela was a key author of our national internal training manual (Know How Guide) on long-term commodity supply and off-take agreements. The manual is targeted for use by our lawyers in servicing clients in the mining and resources industry.

Angela holds a Bachelor of Science and a Bachelor of Laws from the University of Sydney.
