## EXPERIENCE

Beltrán's experience includes advising:

- a Mexican construction company on an ICC arbitration against a Bolivian infrastructure state-owned company for the undue and illegal termination of the works contracts (FIDIC) in relation to the construction of the dual carriageway in the road Santa Cruz-Cochabamba in Bolivia
- Gas Natural on a civil claim filed by many insurance companies that claims the payment of damages paid by them as a consequence of an explosion in Palencia that caused many damages
- a power supply company on an appeal lodged in proceedings brought by an oil & gas

producer following an interruption of energy

- Banco Santander on various financial disputes
