### **EXPERIENCE**

Ben has advised on a broad range of commercial real estate transactions, including asset and corporate acquisitions and disposals, pre-letting and other asset management matters, property financings and corporate occupier arrangements.

He has acted for a range of clients including private equity investors, UK real estate funds, other institutional investors, developers and banks. Ben's experience includes a recent secondment to a global investment bank.

Recent transactions on which Ben has advised include:

- Oxford Properties on the disposal of its interest in the Leadenhall Building as part of the £1.15bn acquisition by CC Land
- Goldman Sachs International and Greycoat on their c. £160m acquisition of Vintners Place, London
