EXPERIENCE

Elizabeth's experience at Herbert Smith Freehills includes assisting on various international debt and equity offerings, advising investment banking clients, corporate issuers and investment funds primarily on matters related to US federal securities laws.

Elizabeth's experience includes advising:

- Citibank and a banking syndicate on the US\$750 million draw-down bond offering by Turkish bank QNB Finans Bank under its US\$2 billion GTMN programme
- Numis Securities and a banking syndicate on Kuwait Energy's proposed London IPO
- United Bank for Africa on its debut US dollar Rule 144A/Regulation S bond issuance
- the target company on a proposed reverse takeover of a London-listed oil and gas company
