EXPERIENCE

Her experience includes advising clients on energy and infrastructure projects in various jurisdictions, including domestic and international acquisitions, disposals and joint ventures.

Elizabeth previously spent six months in the firm's Paris projects team on secondment, and also spent six months in the firm's London project finance and construction disputes teams as part of her training.

Elizabeth's experience includes advising:

EDF on the development of new nuclear generating stations in the UK, including planning, real estate, the income support mechanism, financing, corporate, regulatory and construction and on its four joint ventures for nuclear new build with a Chinese consortium led by China Guandong Nuclear (CGN); including Hinkley Point C development

The Bazalgette Consortium (Dalmore Capital Partners, Amber Infrastructure, Allianz and Dutch Infrastructure Fund) on its successful bid to be appointed Infrastructure Provider for the construction, operation and maintenance of the £4.2 billion Thames Tideway Tunnel project

a confidential project company on a consensual termination and settlement in relation to a major UK PFI project

the Dutch Infrastructure Fund in relation to the planned divestment of a portfolio of European PPP and renewable energy projects

a syndicate of lenders on an RBL structured facility for the acquisition of E&P assets in Gabon
