## **EXPERIENCE**

Elliot trained at Herbert Smith Freehills and qualified into the firm's general corporate and acquisition finance group in September 2006.

Elliot advises clients on a wide range of financing transactions, with a focus on acquisition and leveraged finance on both the bank and borrower side. Elliot acts for a number of FTSE 250 clients on their general corporate financings in the banking and US private placement markets. He also advises on large cross-border debt restructurings.

In 2012, he completed a secondment with the EMEA loans and syndication team at Citibank.
