## **BACKGROUND**

Faye holds a Diploma in Commerce and Law.

## **KEY SERVICES**

[Alternative Legal Services](#)

## **EXPERIENCE**

Faye has 23 years of experience working within the eDiscovery environment at Herbert Smith Freehills. In her role as Manager, Faye is responsible for providing advice and support to internal and external clients relating to data collection, analysis, review and production across a variety of matters and jurisdictions.

Faye focusses on working collaboratively with clients, delivering sound strategic advice, cost effective and appropriate solutions to facilitate successful and timely outcomes.

Faye's particular area of expertise is advising on and managing large construction disputes, and she has extensive experience working with multi language datasets.
