BACKGROUND

Galina graduated from the Goethe University Frankfurt am Main. Prior to joining Herbert Smith Freehills, she worked as a trainee lawyer, inter alia, at the German Federal Financial Supervisory Authority (BaFin) and one of the German leading banks in the field of debt and equity capital markets and securities supervision. Galina also holds Ph.D. (Dr. jur.) in debt restructuring law. She wrote her dissertation on “Bondholder Governance under the German Bond Act and Out-of-Court Debt Restructuring”. In addition to her native Russian, she speaks German and English.

EXPERIENCE

Galina advises investment management companies and international and German banks on various issues in connection with capital markets law and banking regulation. In particular, her practice focuses on prudential supervision, regulatory risks and reporting obligations. In addition, Galina advises domestic and international corporate clients on real estate financing, including add-on finance matters.

Galina's experience includes advising:

- US and European investment managers on proxy voting, qualifying holder control procedure, Brexit-related issues and regulatory enforcement
- International and German banks on investigation process, AML-requirements, outsourcing, remuneration systems and MiFID II-related matters
- a leading US bank on litigation process regarding debt capital instruments
- a private equity investment fund on financing of the investments in renewable energy sources with a total volume of EUR 280 million (investment capacity of ca. EUR 1.2 billion)
