## **EXPERIENCE**

Gary has experience of working with clients on a broad range of commercial disputes, encompassing litigation, arbitration, mediation, settlement negotiations and advisory work. This includes advising on complex contractual disputes, partnership and LLP disputes, economic torts, fraud and conspiracy, contentious trusts issues, probate disputes, and jurisdiction and choice of law issues.

Gary's experience includes:

- acting for Marathon Asset Management in arbitral proceedings against one of its co-founders for breach of fiduciary duty and related High Court proceedings against former employees and a third party marketer for conspiracy and theft of confidential information
- acting for a high net worth individual and a related company to defend fraudulent misrepresentation claims, including challenging the jurisdiction of the English High Court to hear the claims
- advising a high net worth individual in relation to a dispute regarding the distribution of his father's worldwide estate
- advising a private equity firm in relation to defending claims for fraudulent misrepresentation arising in connection with a share purchase agreement
