## **EXPERIENCE**

Before joining the firm as a junior associate, he completed a 12 months full-time internship as a trainee lawyer in the Madrid office and worked as a legal trainee for another 12 month in the Brussels office.

Gonzalo's experience includes advising:

- assistance in the analysis of relevant jurisdiction and market shares in the context of two merger cases in the ridesharing market
- assistance in the litigation process of an anti-competitive agreement in the retail sale of sports equipment sector
- research of precedents to determine the definition of the relevant markets in the context of a merger control case in the French telecommunications sector
- assistance in a merger control case in several jurisdictions involving one of the biggest aircraft leasing operator
- assistance in the submission of responsive business documents of a global client in an investigation of abuse of dominant position conducted by the European Commission.
