BACKGROUND

Grace holds a Bachelor of Laws and Bachelor of Arts (Chinese, Latin) from the University of Sydney. She is admitted to practice in the Supreme Court of New South Wales.

KEY SERVICES

[Environment, Planning and Communities](#)
[Real Estate Acquisitions and Disposals](#)

KEY SECTORS

[Government and Public Sector](#)
[Renewables](#)

EXPERIENCE

Grace assists public and private sector clients in relation to a variety of environmental and planning law issues. She has worked on litigious matters before the Supreme Court, the Land and Environment Court of New South Wales, and the Independent Planning Commission. Grace has also advised on a range of non-litigious matters including planning approvals, enforcement proceedings, and voluntary planning agreements.*

Grace is an active member of the National Environmental Law Association and the New South Wales Young Lawyers Environment and Planning Committee.

*Experience gained in previous role.
