BACKGROUND

Graham holds undergraduate and postgraduate degrees from various South African universities. He is a South African qualified attorney who has worked as a corporate tax specialist for leading international firms both in the United Kingdom and South Africa.

KEY SERVICES

[Corporate](#)

EXPERIENCE

Graham advises clients across various sectors on a broad range of tax matters as well as cross-border tax arrangements. While still advising a range of matters, Graham has a particular focus on advising clients on M&A transactions, finance related tax matters, corporate structuring and real estate taxation.
