EXPERIENCE

Imogen is a disputes lawyer with broad experience in complex and significant disputes, both before international tribunals and courts.

She assists clients in a number of sectors and has a particular focus on disputes in the energy, technology and consumer products sectors.

Imogen's experience includes advising:

- a global energy company in ICC arbitrations seated in Australia relating to information technology services
- a global energy company in a SIAC arbitration seated in Singapore relating to claims of fraud and breach of warranty arising from the purchase of oil and gas assets
- a telecommunications conglomerate relating to potential investment treaty claims against an Asian State
- the State of Victoria in defending multiple class actions relating to the Hotel Quarantine Program
- Treasury Wine Estates in defending multiple shareholder class actions relating to the performance of its business in the United States
- National Australia Bank in relation to an insurance claim in the Federal Court arising out of a customer redress scheme in the United Kingdom
- a leading energy company in relation to a joint venture dispute concerning the operatorship of a project
