Infrastructure

---

## EXPERIENCE

Jen Ru has experience in advising companies in different sectors on acquisitions and disposals of shares and assets, with a focus on cross-border merger and acquisition transactions in the energy and infrastructure sector. She has worked on a number of transactions in the upstream and downstream oil and gas, power, and renewables sector in Southeast Asia.

Jen Ru's prior experience includes advising:

- Yinson Renewables, a subsidiary of Yinson of Malaysia, in relation to its acquisition of a stake in Rising Sun Energy, which holds two 70 mw solar power assets at the Bhadla Solar Park located in Rajasthan, India
- a confidential solar service company in relation to the proposed development in Malaysia of a dedicated solar power plant underpinned by a corporate offsite sleeved PPA
- a confidential Malaysian client on its proposed acquisition of the company holding Petrofac's operated upstream interest in Malaysia including the operatorship
- a confidential Asian client on its proposed "country exit" with respect to interests in a number of upstream PSCs in a Southeast Asian jurisdiction
- a confidential client on an acquisition of wind and solar power generation assets in Mexico
