EXPERIENCE

Jose has experience advising national and international financial entities and corporates in a wide range of financing transactions, such as leveraged finance, acquisition finance, real estate finance, project finance and refinancing transactions, advising leading financial institutions and corporates. In addition, Jose has broad range of experience in M&A transactions and due diligence proceedings.

Jose's experience includes:

- Cubico Sustainable Investments on the refinancing of the financial debt of the Spanish entity Arenales Solar PS, owner of a concentrated solar power (CSP) plant located in Morón de la Frontera (Sevilla) of a generation capacity of 49.9MW
- Asterion Industrial Partners on the financing granted by a syndicate of lenders led by BBVA for the acquisition of the Spanish telecommunications business Axión from AMP Capital
- Cubico Sustainable Investments on the refinancing granted by a syndicate of lenders led by Banco Santander of two concentrated solar power projects with a capacity of 50 MW each, located in Granada, Spain
- Clarion Partners Europe on the €51.1 financing granted by ING for the acquisition of four logistic buildings from Prologis located in Barcelona, Seville and Tarragona, Spain
- Trilantic Capital Partners on the refinancing of Grupo Pachá
