## EXPERIENCE

Katherine is a dispute resolution lawyer specialising in building, construction and infrastructure disputes. She has experience working on large-scale litigation as well as arbitration, mediation, expert determination, adjudication and informal dispute resolution processes, and providing advice including in relation to contractual and project delivery issues.

Katherine's recent experience includes acting for:

- the **equity sponsors** of the 228MW Lal Lal Wind Farms project, including in multiple proceedings in the Supreme Court of Victoria;
- **Project Co** in relation to a rail PPP project in NSW impacted by design and delay issues;
- the **owners/developers** of a water treatment facility in NSW in connection with mining and power generation assets, including contractual advice and litigious proceedings regarding tender phase and operations phase disputes;
- **Project Co** in various disputes (including Supreme Court litigation) arising out of the Hopkins Correctional Facility PPP project in Ararat, Victoria;
- a **major construction contractor** in relation to the potential use of non-conforming building products in Australia, including the management of upstream and downstream Supreme Court proceedings in NSW and Victoria.
