Mergers & Acquisitions
Project Finance

KEY SECTORS

Energy
Oil and Gas

EXPERIENCE

- EDF on its £12.5 billion takeover of British Energy Group, and associated plans for new nuclear plants in the UK

- Nepal Investment Board and Adam Smith International in relation to the negotiations for the development of at least four large-scale hydroelectric power projects in Nepal
- The Bureau of Public Enterprises of Nigeria on the sale of ten National Independent Power Plants to be privatised by the Niger Delta Power Holding Company. The ten gas-fired power plants have a combined design capacity in excess of 5,453MW
- Scottish Power Renewables (owned by Iberdrola) in developing the East Anglia Offshore Wind Farm Project, one of the world's largest offshore wind projects (7.2GW) off the coast of the UK
- ZESCO Limited, Zambia's largest public utility, in establishing the 750MW Kafue Gorge Lower hydro power project in Zambia
