EXPERIENCE

Monde specialises in private M&A transactions (including cross-border M&A) and equity capital markets transactions (including listings and capital raises). Monde also advises clients on general corporate matters, including corporate governance and the ongoing obligations of listed entities.

Monde has advised clients in a wide range of sectors including private equity, renewable energy, manufacturing, telecommunications, financial services and mining.

Monde was part of the team that advised:

- Merrill Lynch International and UBS AG, London Branch, as the joint bookrunners and LSE and JSE Sponsors, in the proposed capital raise of Intu Properties PLC. The capital raise was called off days before the launch date

- Arkema France S.A. on its proposed acquisition of Permo seal Proprietary Limited
- Stanlib on its proposed investment into Mulilo Renewable Energy Proprietary Limited
- Stanlib on its proposed investment into Mulilo Energy Holdings Proprietary Limited
