## **EXPERIENCE**

Natalie has experience advising clients on commercial disputes, regulatory investigations and compliance issues. She has particular experience in international arbitration.

Natalie has worked with leading Australian and global companies across a range of industries and works on matters with a multi-jurisdictional dimension.

Natalie is closely involved in the office's community, reconciliation and pro bono work and serves as the co-coordinator of the Community Health and Justice Partnership clinic with LawRight.

Natalie's recent experience includes:

- acting for the principal in SIAC arbitration proceedings against the contractor regarding the construction of a refinery and petrochemical complex Vietnam;
- advising a retail company on modern slavery risks within their supply chain;
- advising on a payment remediation program and associated engagement with regulators.
