EXPERIENCE

He specialises in civil litigation as well as arbitration and advises and represents national and international companies and financial institutions in all areas of business and commercial law. Nils recent experience includes post M&A disputes, mass proceedings and work within the insurance sector. He regularly advises on policy coverage and the defence of claims.

Nils' experience includes:

- representing and advising a French innovation and engineering consulting firm in dispute arising out of purchase of various European subsidiaries of Austrian holding in automotive industry
- representing a leading European logistics company in a post-merger arbitration under the DIS Rules against German seller over balance sheet guarantees for Italian targets
- advising a truck manufacturer in fending off cartel follow-on damage claims following EU Commission's decision on Truck Cartel
- advising an UK insurer in various professional indemnity litigations brought in the German courts of first and second instance.
- advising a corporate with a view to coverage under transport insurance policy
