EXPERIENCE

Rebecca has experience in the resolution of both minor and major construction and infrastructure disputes through adjudication, litigation, and other forms of alternative dispute resolution. She has experience in a number of sectors, including PFI/PPP and infrastructure projects more generally.

Rebecca's experience includes advising:

- a waste management consortium in adjudication proceedings in relation to the performance of a PFI project for the provision of waste management and recycling facilities

- a confidential client in relation to a number of related disputes with a public authority and a sub-contractor regarding alleged defects in a major infrastructure project
- a PFI special-purpose vehicle responsible for the construction, operation and maintenance of a hospital on a dispute concerning responsibility for extensive defects
- a large commercial client in relation to defective building work causing damage to employee property
