EXPERIENCE

Sally has advised clients on project development (including decommissioning, operational and corporate advisory matters), acquisitions and disposals as well as corporate financing. Sally has spent periods based in Herbert Smith Freehills' offices in Australia, Hong Kong, France and the UK, and was seconded to Origin Energy Resources as agent for Australia Pacific LNG advising the business on upstream procurement contracts.

Sally's experience includes advising:

- the lenders on a US\$2 billion reserve-based lending facility to finance the proposed US\$3.9 billion acquisition by Neptune Energy of EPI, Engie's upstream oil and gas exploration and production business
- a confidential client on the restructuring of their joint venture arrangements in the North Sea and on the decommissioning of its interests in the associated offshore platform and pipeline infrastructure
- a confidential consortium on the proposed acquisition of 51% of National Grid's gas distribution business
- Hartree on their investment in, and financing and development of a portfolio of gas fired embedded peaking power plants, through a joint venture with Power Balancing Services Limited
- BHP Billiton on its suite of standard procurement contracts
