EXPERIENCE

Sebastian is recognised by the legal directories as a leading patent litigator and regularly acts for clients such as Roche, Gilead, Takeda, Sanofi in UK litigation, EPO oppositions and in co-ordinating actions on a pan-European basis. He has also represented clients in two important references on SPC matters to the CJEU.

Sebastian is a solicitor advocate with rights of audience in all civil proceedings in the UK. He is a member of the International Association for the Protection of Intellectual Property and an associate member of the Chartered Institute of Patent Attorneys.

Sebastian is also a guest lecturer at the University of London (on the Certificate of Intellectual Property course and the LLM course in International and Comparative Patent Law) and a tutor on the Oxford University Diploma in Intellectual Property Law and Practice.

Sebastian is recognised as Leading Individual in Pharmaceuticals and Biotechnology, and led the team which recently won Transatlantic IP Team of the Year 2017 at The American Lawyer Awards, and IP Team of The Year 2017 at The Lawyer Awards.

ACCOLADES

Winner of the *Client Choice Awards (Intellectual Property: Patents) 2019*

"Sebastian Moore is an SPC guru and a truly elite litigator whose pharmaceutical advocacy must be seen to be believed. Moore's "strong sense of urgency and excellent industry understanding" make him a powerful practitioner".

IAM Patent 2019

The "brilliant" Sebastian Moore's grasp of intricate technical details has proved invaluable to Gilead. He successfully defended the innovator giant in an infringement suit brought by Idenix relating to its blockbuster hepatitis treatment Sofosbuvir, and is coordinating continent-wide protection of its key HIV drugs.

IAM 2018

Sebastian Moore concentrates primarily on patent litigation within the pharmaceuticals and life sciences sector. Sources say he is "an excellent litigator who is very experienced and very good with clients."

Chambers and Partners 2018

Sebastian Moore has 'the expert touch' in patent litigation, having acted for blue-chip multinational clients including Roche, Genentech, Biogen and Sanofi Pasteur.
