EXPERIENCE

Sid is a cross-border M&A specialist focussing on high-value, complex transactions, including joint ventures and growth / private capital investments.

He has over 10 years of experience working across a number of sectors (including in particular TMT/Tech and real estate) and key global geographies and international corridors (including in particular US-UK/EMEA, India-UK/Europe, Australia-UK, South Africa-UK and Japan-UK).

Clients single out Sid for being *"very switched on and very good"* and *"a highly qualified professional, not only because he is technically very competent, but also because he is a person with great empathy with the client"*.

Select credentials
