EXPERIENCE

Thierry has extensive experience as counsel in complex arbitration cases relating to civil aviation, rail and engineering, as well as in litigation in the fields of rail, banking, M&A transactions and D&O liability.

He also has extensive experience in corporate litigation (shareholder litigation, directors' liability, post-M&A litigation).

Thierry has an international practice linked with Africa and Brazil. He is among one of the few Paris-based practitioners who are able to conduct arbitration proceedings in Portuguese language.

Thierry's experience includes advising:

- dispute between investors in a telecommunications operation in Brazil (USD 15 billion, Brazilian law, ICC Paris, English language)
- dispute related to a supply agreement in the military aeronautic sector (EUR 50 million, French law, ICC Paris, English language)
- breach of a sales contract in the rail sector (in excess of USD 30 million dollars, Syrian law, ICC Geneva, English language)
- action against a former Director for breach of fiduciary duties in the banking sector (EUR 180 million, Versailles and Paris Courts of Appeal, Court of Cassation)
- breach of contract for the sale and construction of large LNG carriers (in excess of EUR 40 million, Paris Commercial Court and Court of Appeal)
